Good afternoon Chris! I was just wondering what hotel you are putting us up at this weekend. We fly in Saturday, we have rented a car, and can drive straight there. We just don't know at this point where to go. Please advise.

Subject: 2018 Large Scale Protest Response Seminar

Fellow PAICs and Staff,

A few months ago I was invited to San Diego to hear Sheriff Paul D. Laney's presentation on the violent protests for the Keystone XL Pipeline in North Dakota. With minimal planning and social media the protesters were able to amass 12,000 passionate individuals to upset construction in North Dakota for seven months. Sheriff Laney commented on some of the similarities that the Southwest Border was sure to have with respect to the Border Wall. The current political climate, uptick in demonstrations and social media campaigns, along with the immigration debate almost ensure that RGV will have large scale protests. These protests pose a significant threat to the border, Law Enforcement, and our communities. Therefore, we have invited Sheriff Laney and our Law Enforcement partners for a one day seminar to listen to his presentation and discuss preparation, interagency cooperation, and response from a tactical and strategic standpoint.

When: Monday, April 23, 2018, 8 am to 4 pm

Where: South Texas College (Pecan Campus) Building D, Room 102

Attire: Business (LE) Casual

PAIC Seiler,

Attached is the 2018 Large Scale Protest Response Seminar Invite. It was recommended that the invite to the PAIC's, Sector Leadership and OFO SRT come from you personally.

We are still tracking the rest of the RSVP's. BPA Maley has been reassigned to the CPC for operational needs, so BCL BPA Brian Martinez will pick up the bat and step up to the plate... He is up to speed on the event and knows we are expecting nothing less than a homerun. Let us know if you need anything else. Thank you sir.

Respectfully,
